

**Majority of Residents Agree:
Montgomery County should choose mass transit, Metro, and
local road improvements over the \$3 Billion Intercounty**

Ehrlich Administration's Plan		Smart Transportation Choices	
Project	Price	Projects	Price
Intercounty Connector	\$2,400,000,000	Purple Line (Silver Spring to College Park Section)	\$720,000,000
		Corridor Cities Transitway (Shady Grove to Clarksburg)	\$900,000,000
		Metrorail Station at Montgomery College	\$40,000,000
		Metro Improvements (new railcars & buses, station improvements)	\$300,000,000
		Georgia Avenue Busway	\$80,000,000
		Fix It First: Increase capacity and service at existing roadways <ul style="list-style-type: none"> · Rockville Pike in Rockville Town Center · Muncaster Mill Rd · Rte 355 at Gude Dr · Rte 28 at Viers Mill Rd · Rte 28 at Muncaster Mill Rd · I-270 at Watkins Mill Road · Randolph Rd at New Hampshire Ave 	\$166,050,000
		Pedestrian & Bike Improvements	\$50,000,000
Total projects	Total cost	Total projects	Total cost
1	\$2.4 Billion	13	\$2.2 Billion

None of the projects listed are currently funded for construction, except the ICC.
